Komodo Advanced Math Program

The goal of this teacher-led program is to nurture proficiency in Grade Level Math concepts. We provide customized training program for each student to enjoy and succeed in math at school beyond their grade level.

Komodo Abacus Mental Math

Discover how your child can use the Abacus to add, subtract, multiply, and divide. Learn to do math in a fun, tactile way using the abacus and technology that will appeal to both struggling and advanced math students. Camp fee includes Abacus and Komodo Abacus math work books.

Komodo Language Arts Program

The goal of this teacher-led program is to nurture reading and writing proficiency through theme based instruction.
